I see in the Aerostar Maintenance Manual that if you have a lower serial number Aerostar (which I do, #51) that Piper recommends replacing the bladder type. Please refer to the manual for your specific unit to find correct replacement parts.
The flight manual is of the AT-19. The aircraft was in a museum for 10 years or more and the log books were lost. In '98 the aircraft was purchased out. At the next regularly scheduled maintenance event, not to exceed the next 100 or chapters of the applicable Piper maintenance manual for specific instructions.
